### CONSULTANTS :

GENERAL AND LAPROSCOPIC SURGERY Our surgical team is headed by Dr NAVDEEP SINGH SANDHU

a general and pediatric surgeon by qualification who joined us in 1994. He trained in laproscopic surgery at Hyderabad in 1997 and started laproscopic cholecystectomy in 1998 with us. Since then he has performed complex surgeries like esophageal replacement (colonic transposition) for corrosive injury, Trans hiatal esophagectomy, gastrectomy, colectomy, hepaticojejunostomy, side to side lieno renal shunt and many other complicated surgeries over the years. With a good endoscopy unit in premises many combined procedures have been performed by surgeon and endoscopists like difficult CBD stones tackled with ERCP and using C Arm in OT for Intraoperative cholangiogram .

Other surgeons operating at our centre are:

-DR.COL. R.K. SHARMA.(MBBS , MS )

- DR SUSHIL GUPTA (MBBS ,MS)

UROLOGY : DR. RAJESH GULIA: MBBS. MS , MCH

ENT : DR RAMAN ABROL( MBBS , MS)

ORTHOPEDIC SURGEON: DR ANUPAM AHUJA ( MBBS , MS )

PLASTIC SURGERY: DR V.D. SINGH ( MBBS ,MD )

Our Operation theatre is well equipped with state of art electromatic OT table, pulse oxymeters, defibrillators, central oxygen supply,C-arm for intraop cholangiogram. All laproscopic equipments are available with us and we have recently added Erbe Cautery to our equipments. We pride ourselves in our zero post operative infection rate.
